## CATS Self-Service Log-In Instructions

1. Login to myfrontier.org and click on CATS on the lower right side of the screen or click on the following link:
2. Sign in using your network/crew room computer sign on credentials. If the password is not working, you will need to contact IT to reset your network password at 720.374.4400.
3. Your current CATS record will display. Any time a change is made to your record, it will appear in CATS after CATS refreshes which is after few hours.
  - a. Please note that CATS will **not** allow users to modify their data or information. If there is incorrect information, please follow up with your Inflight Dependability supervisor (or LOA/OJI if related to a Leave of Absence/OJI) to have your record reviewed for accuracy.

If you have any question, please reach out to your Inflight Dependability Supervisor.
