Get to Know Trenton-Mercer Airport

Trenton-Mercer Airport (TTN) has been providing air travel to the Mercer County Region for over 80 years. As one of only three commercial airports in New Jersey, TTN averages approximately 85,000 take-offs and landings each year. TTN's rich history spans the decades from early aviation, to its preeminent role in the production of the WWII Avenger Torpedo Bomber. The aviation units of numerous Fortune 500 companies, a corporate terminal and repair base, the U.S. Customs Service, the New Jersey State Police, and the New Jersey National Guard are also located at the airport.

Trenton-Mercer Airport is located on 1100 Terminal Circle Drive West Trenton, NJ 08628. The airport consists of one main check-in terminal.
