The SEPTA Light Rail comes all the way to PHL from various stations throughout the Philadelphia Area. Along with the bus, you will now have more transportation options in getting to the Airport. Be sure to check [www.septa.org](http://www.septa.org) for more information.

The septa train is scheduled to depart at the E Terminal train stop at 7 minutes past the hour and 37 minutes past the hour. It is not 24/7 so always check the official schedule.
