Each card comes with its own transit account, in which you store transit value (for regular fares) and passes (such as a 1-day, 3-day or 7-day unlimited pass).

Register your card online for a protection against loss and theft and you could reload your balance on the app.

Step 1: Get a Ventra Card (either at the kiosks or buy it online at <https://www.ventrachicago.com/>)

New cards cost \$5.
