Frontier operates in Terminal 1 of FLL. On the Departures, or Check-in level of the terminal, there is an elevator adjacent to the KCM portal right next to the Security Screening Checkpoint. Take that elevator up one level.

SIDA or access code is not needed between the hours 0500-2100 . If you are needing access to the crew room after hours, use bypass code 2022 for the elevator. Walk down the long corridor and the crew room will be at the end of the hallway. The first door code is: **152**. Upon entering the door, you will be in another, smaller corridor.

The crew room may be used by all Flight Attendants to enjoy. A cipher lock is installed on the door, and the code is **423**.

As a reminder, residing or the appearance of living in the crew room/sleep room overnight or for extended periods of time is **not** permitted.

The Company will not be responsible for paying any expenses after ninety (90) days from the date of any transaction.

Reminder: If a Flight Attendant transfers bases and they have been on a parking pass stipend list in that base, it is their responsibility to notify their new base leadership of their preference regarding obtaining a parking pass in the new base or continuing the parking pass stipend in the new base.
