- Pet Relief Area: Chicago Midway International Airport has two pet relief areas. The outdoor facility is a
 fenced-in area with benches and bags provided for pet owners. The indoor facility is a centrallylocated small room outfitted with fake grass and a pet parent sitting area. The outdoor facility is
 located before flight check-in and security, but travelers need not re-enter security to use the indoor
 option.
- Mother's Room A Mother's Rooms is available at MDW. This amenity offers a clean and comfortable room for traveling mothers to nurse, use a breast pump or

care for young children. This room is located in Concource C,

next to the Yoga room.

 Lactation Pod - Lactation pods provide a safe, private space for mothers to nurse or pump while on the go. The pods at Midway were developed by Mamava, a nationwide developer of lactation suites for offices and transportation

hubs. This pod is located in concourse A, next to gate A5.

Airport Art - Chicago's airports have long served as a canvas for the City's public arts with an emphasis
on local and global interests. The City of Chicago's world-renowned Public Art Program is reflected in
dozens of sculputures, paintings, murals and exhibits at Midway International Airport.

Chicago Transit Authority - Transit is the easiest way to get to Chicago airports; there's no need to pay for parking or taxis when you ride with CTA. The CTA provides the 'L' (train) service directly to both O'Hare and Midway airports. Machines at the station issue new Ventra Cards or load fare or passes onto cards.
