The CVG Crew Room is located in the Main Terminal on the Departures Level in the far-left corner upon entering the airport. It is before Security, across from the Delta and Frontier Ticket Counter.

A SIDA badge is not required to access the Crew Room, however there is a door code and your employee badge must be always displayed while in the employee area.

The access code to the crew room door is **5312#**.

This code is not to be shared with anyone other than Frontier crewmembers.

As a reminder, residing or the appearance of living in the crew room/sleep room overnight or for extended periods of time is **not** permitted.
