The temporary crew room is outside of security. Pass the frontier ticket counter, towards the airport hotel, go through the glass sliding doors and the crew room is on the right.

A SIDA badge is not required to access the Crew Room, however, your employee badge must be always displayed while in the employee area.

The SJU crewroom door code is **8468**.

This code is not to be shared with anyone other than Frontier crewmembers.

As a reminder, residing or the appearance of living in the crew room/sleep room overnight or for extended periods of time is **not** permitted.
